Apprenticeships with First Bus

Provided / Operated by:
Realise - Wider Opps

Gain the skills, knowledge and behaviours that will enable you to work as a professional bus driver for one of the UK's top transport companies.
A First Bus apprenticeship will give you a unique training experience, combining practical training and off-the-job learning activities over a 13-month programme. This means you'll gain the skills and knowledge needed to succeed in the transport industry, providing you with the starting point to a great...
