

ESOL for social conversation in Leeds (Entry 1)

Provided / Operated by:

PATH Yorkshire

This free course is to improve your confidence and to develop skills in communicating in social situations. Learners will learn how to interact with other people in social situations and how to participate in casual conversations. You will learn how to talk about feelings and emotions and how to offer an opinion. You will develop skills in agreeing and disagreeing politely and how to ask questions. Please contact Rehab on 07984 777537 to enquire about enrolment...
