

ESOL Where I live

Provided / Operated by:

Leeds Adult Learning

What is this course about? This course helps you learn words to talk about your home and your local area. You will practice describing your house, asking for and giving directions, taking public transport, and reporting housing problems to a landlord.

What knowledge, skills and behaviours will you be developing?

You will learn knowledge of address details, house items, position words (in, on, next to), and local...
