

# Driving and the Highway code for Speakers of Other Languages

Provided / Operated by:

**Workers' Educational Association**

This course is geared towards helping ESOL learners with their reading skills as well as key vocabulary used in passing the Highway Code. These are the rules you must know to drive in the UK. This course is only for students living in Leeds. Are you a student with English as a second language? Are you interested in learning to drive in the UK, either for work or for the freedom that driving gives you? If English is your second language and this makes understanding and learning the rules of the road difficult...
