

ESOL – Communication and technology – beginners

Provided / Operated by:

East Riding of Yorkshire Council

If English is not your first language then join this course and develop your English speaking and listening skills. You will learn new words and phrases so that you are more confident talking to people about different methods of communication and using technology. You will be in a small, friendly class and will have lots of opportunities to practise speaking in and listening to English as well as doing some simple reading and writing exercises....
