

ESOL for Driving in the UK

Provided / Operated by:

RETAS Leeds

This 6-8 week course will help you understand some of the key vocabulary for driving in the UK. It is designed for refugees and migrants to understand UK driving culture and some of the key rules for driving in the UK. It is delivered in simple English which is suitable for Entry Level 2 and above. There will also be English for driving such as phrasal verbs and understanding directions. This course can help prepare you for the driving theory test and make you more employable for the future....
