

ESOL for Job Applications

Provided / Operated by:

Learning Partnerships Ltd

This is an English course for speakers of other languages (ESOL). The course aims to help learners gain confidence and develop basic language needed to be able to apply for job vacancies. Open to learners who are Entry 2 level or above; have a basic grasp of grammar and have speaking and listening skills to be able to hold a conversation. Learners will develop the vocabulary and skills to be able to identify personal skills, and qualities, complete a CV template and job application, prepare for an interview....
