

ESOL for Job Seeking

Provided / Operated by:

Nari Ekta Ltd

This is an English course for speakers of other languages (ESOL) to improve confidence and develop language skills when looking for work. In this module learners will gain confidence and develop more advanced language skills needed to plan for their future. Specifically, they will be able to prepare for a range of interviews, talk about themselves, undertaking planning activities for their next steps and will explore a variety of options to help them continue to practice their English. At the end of your...
