

ESOL – Health and well-being – improvers

Provided / Operated by:

East Riding of Yorkshire Council

If English is not your first language, but you already have some basic language skills, then joining this course will help you to improve your English speaking and listening skills. You will learn new words and phrases so that you are more confident talking to people about your general health, fitness and diet and know who to contact for health advice. You will be in a small and friendly class and will have lots of opportunities to practise speaking in and listening to English as well as doing some very simple reading...
