

# ESOL – Health and Wellbeing

Provided / Operated by:

**PATH Yorkshire**

This is a course for speakers of other languages (ESOL) to improve confidence and develop language skills in speaking about health and wellbeing. It is open to any learner from Entry 1 level. The language covered includes: talking about health problems to a doctor or nurse; making appointments and accessing local health services; finding your way around a hospital or health centre; understanding medical instructions and raising awareness of personal safety. It focuses primarily on speaking and listening...
