

ESOL My Health & Wellbeing

Provided / Operated by:
Community Learning Partnerships

This is an English language course for speakers of other languages (ESOL) to improve confidence and develop language skills in speaking about health and wellbeing. It is open to any learner on Entry 1 level. The language covered will include: talking about health problems to a doctor or nurse; making appointments and accessing local health services; finding your way around a hospital or health centre; understanding medical instruction, and raising awareness of personal safety. It includes core outcomes...
