

# ESOL Social Conversations

Provided / Operated by:

**Community Learning Partnerships**

This is an English course for speakers of other languages (ESOL) to improve confidence and develop skills in communicating in social situations. It is open to learners on Entry 3 level. The language covered will include: greeting formally and informally, making small talk with family, friends, neighbours and casual acquaintances, talking about feelings and emotions, giving opinions, agreeing and disagreeing and responding to a variety of questions. It includes core outcomes around sharing personal information and...
