

Step Across to Functional Skills English (for Speakers of other languages)

Provided / Operated by:

North Yorkshire Council – Adult Learning & Skills Service

Is English your additional or second Language? Do you want a Functional Skills English qualification that can open the door to a range of work and further education opportunities? We will teach you all the skills that a second language speaker needs to access a Functional Skills course. Our careful planning ensures that we cover all the difficult areas, with a focus on building vocabulary, supporting spelling and understanding grammar, before moving you directly to the appropriate level of qualification. if you...
