Essential Digital Skills Entry Level 3 and Level 1

Provided / Operated by:
York Learning, City of York Council

The government-backed Essential Digital Skills qualifications are designed to help people gain the digital skills required for everyday use in life and at work. There are 2 levels available, and between them both they cover a range of skills such as how to use different digital devices, how to search the internet and be confident with finding information online, keeping safe online, communicating digitally and creating documents. You can work in a small group with our patient experienced tutors. It's a...
