Initial Assessment Computing and Digital Skills

Provided / Operated by:
York Learning, City of York Council

If you're not sure which is the next step for you, book a free IT assessment with one of our Flexible Learning IT tutors. Your existing IT level will be discussed and the potential for growing those skills to improve employability or access to the digital world discussed. Our tutors can give you information on a full range of courses from Absolute Beginners through to Digital Inclusion, ECDL, Photoshop, Web design and more....
